

Toilet cleaner 750ml

Personal Benefits:

- fresh perfume from plant based ingredients
- triple action: cleans, decalcifies and freshens
- hygienic, naturally powerful
- safe to use
- no residue of unnecessary chemicals

Environmental Benefits:

- optimum level of biodegradability (OECD-test 301F, full product)
- minimum impact on aquatic life (OECD-test 201 & 202, full product)
- against animal testing
- also suitable for septic tanks

Instructions for use:

Squirt a small amount into the toilet and under the toilet rim. Leave to soak for a few minutes. If needed, scrub with the toilet brush. Flush.

Packaging material:

Bottle and labels are made of polyethylene; cap of polypropylene. Polyethylene and polypropylene are 100 % recyclable and can be recycled together using a low energy process.
